

BUILDING BLOCKS FOR THE FUTURE OF GULFSIDE

Our Purpose and Our Plan...

1. Circles™ by Gulfside

- a. As a part of the National Circles™ Campaign, the mission to eliminate poverty, one family at a time. This program reaches out to families in the community who are struggling for stability. Circle Leaders befriend and assist as caseworkers in helping to break the cycle of poverty and direct individuals to developing stability and self-sufficiency.

2. ABIDE® by the Sea Jesus said, "...Abide in Me and bear much fruit" John 15:5

- a. Gulfside ABIDE® by the Sea is a spiritual leadership development program to help churches forge a new pathway to fruitful ministry. It will allow spiritual leaders to create and improve generative ministries and launch a movement that can affect the world for Christ.

3. Youth Development

- a. Gulfside continues to recruit and sponsor students from the Gulf Coast region to attend sponsored youth college tours and participate in the National BMCR Youth Harambee. This program helps young people gain confidence in themselves to further their education and utilize their God given gifts and talents.

Through these Basic Programs and the completion of the New Ministry Center, Gulfside can complete its call in serving God's people in spiritual growth, nurturing and education.

With the endorsement of the Ebony Bishops of United Methodist Church and others, we know Gulfside will complete its mission and see lives transformed by the love of Christ.
